

WHITE PAPER 1.0

About us

USDTATSU is a project on the Binance Smart Chain. We have a vision to make USDTATSU a top passive income project, with our upcoming utilities P2E Gaming, Airdrop platform and NFT Collection. While we will release these beautiful things. You will receive 5% USDT rewards from the moment we launch on PancakeSwap and forever.

THE TOKEN

The USDTATSU Protocol is a community focused DeFi token that forms part of the expanding USDTATSU ecosystem.

Three simple functions occur during each trade

5% Rewards is Redistributed in USDT to all holders

1% is added to liquidity

4% is added to the Marketing wallet and will be used for marketing and development

Total Supply: 100,000,000

Presale & Liquidity: 50%

P2E Game rewards: 7% Locked on PinkSale until 2023.02.01

Dex & Cex: 9% Locked on PinkSale until 2023.01.01

Team Tokens: 4% Locked on PinkSale until 2022.10.01

TATSU NFTs

The TATSU NFTs can be used as skins in the game. Everyone who starts the game will receive a default NFT dragon. If you want a unique NFT dragon, you will need to mint it or buy it on the NFT marketplace. The skins don't make you stronger, you have to complete missions, fight against aliens or compete against other players to get stronger.

TATSU NFT minting date : November 1, 2022

Where to mint ? Only on our website!

<https://www.usdtatsu.com/>

TATSU P2E GAMING

The TATSU Game will be an open world game where players can freely fly around with their dragon and find easter eggs and claim free \$USDTATSU. You can make your dragon stronger by fighting aliens, completing missions or join the pvp portal and compete against other players with there own dragon NFT. The P2E game will come after the NFT Collection is LIVE.

AIRDROP PLATFORM

Once the NFT Collection and our game is live there will be pools where you can stake your coins. You will receive airdrops from various projects in return. Only legit projects will be promoted to our holders. So that everyone has a chance to receive a free airdrop. More info coming soon in WHITEPAPER 2.0
